SUMMARY

Motivated B.Tech Information Technology student with foundational knowledge in Java, Python, and JavaScript. Skilled in responsive web development using HTML5, CSS3, and Flexbox, along with beginner-level UI/UX design using Figma. Passionate about building clean, user-friendly web applications and continuously improving technical skills.

EDUCATION

BTECH-IT   **NOV 2022-2026**

- Mahendra Engineering College
- CGPA: 7.58

TECHNICAL SKILLS

Programming: Java, Python, JavaScript
Web Technologies: HTML5, CSS3, Flexbox, Responsive Design
Frameworks: React (Basics), Spring Boot (Basics)
Backend & Runtime: Node.js (Basics), FastAPI (Basics)
Database: MySQL, SQLite, Firebase, Supabase
Tools: Git, GitHub, Figma, VS Code

PROJECTS

Reddit-Style Community Forum (Full Stack)- Built a full-stack discussion platform using React, FastAPI, and Supabase, implementing authentication, voting, and image upload functionality.
Daily Reminder Web Application - Developed a full-stack task management application with Firebase integration and a responsive user interface using HTML, CSS, and JavaScript.
Cybersecurity Awareness & Case Study Exposure - Gained practical exposure to cybercrime investigation procedures during internship at Cyber Crime Police Station, Puducherry, including basic digital evidence handling.

INTERNSHIP

Java Full Stack Intern – Live Stream Technology, Coimbatore
- Assisted in backend development and database integration
- Improved frontend UI responsiveness

Full Stack Intern – White and Box, Bengaluru
- Supported frontend and backend feature development
- Worked on API integration and bug fixes

Cybersecurity Intern – Cyber Crime Police Station, Puducherry
- Gained exposure to cybercrime investigation processes
- Participated in cybersecurity awareness initiatives

ADDITIONAL INFORMATION

Languages : English, Tamil
Interest Areas : UI/UX Design, Full Stack Development
Development Approach : Beginner-level AI-assisted coding and prompt-based development

CERTIFICATIONS

Full Stack Developer Internship Certificate – **White and Box**
Java Full Stack Internship Certificate
Cybersecurity Internship Certificate – **Cyber Crime Police Station, Puducherry**
IIT Workshop Participation Certificate
